

# The Waldorf Education Society of Edmonton

## Membership Form

The Waldorf Education Society of Edmonton is a member-oriented, non-profit, charitable organization. Membership is required for those who attend our programs.

Membership fees enable us to sustain our work, including the operation of all programs in the Waldorf Independent School of Edmonton: Parent-tot, Nursery, School program, and Homeschooling arts enrichment. Our work also involves providing teacher support and education, study groups, and hosting seasonal festivals. Members of WESE are invited to vote in our AGM and will receive newsletters and community updates via email.

WESE Membership is \$100.00 a year, per family, and is mandatory for WESE Early Childhood programs (\* in some cases, membership is included in the program fees.)
